

## Prospective Partner Pre-Application Form

---

Thank you for your interest in partnering with Connecticut Foodshare. Connecticut Foodshare regularly receives requests for partnership. We prioritize new partnerships that are open to the public, reaching an underserved community, and in a location where other food assistance options are limited relative to community need. Whenever possible, we encourage collaboration with established programs to enhance services already available in the community and reduce duplication of efforts.

As a first step, please fill out this brief form to share some basic information about your food assistance program. This form should take you about 15 to 20 minutes to complete. Once you submit this form, a member of our team will contact you to discuss potential for partnership. Before you submit this form, please take a few minutes to review our partnership criteria [here](#). In an effort to equitably serve communities across the state and make the most of our finite resources, Connecticut Foodshare is not able to approve every prospective partner.
